

ACCOUNTING SERVICES

ABOUT US

CLS is a leading Russian full-service law firm applying international standards.

The CLS team consists of more than 50 lawyers, experts in Russian law.

The firm has extensive experience in legal support of major projects and transactions throughout Russia for companies from various sectors of the economy and can provide services in 90 jurisdictions through cooperation with foreign law firms.

Leading Russian and international rating agencies recommend CLS among the best law firms in Russia.

Our clients are more than 400 companies from over 30 industries.

You can trust us to solve more than just your legal issues. Accounting services are often a notable supplement to legal services and become a prerequisite for successful business. We propose effective solutions and convenient interaction.
